# II LeCont TROPHY

On December 3 and 4, the Automobile Federation of the Valencian Community, in collaboration with LeCont Spain (Rodakart), will organize the II LeCont Trophy.

The Categories will be:

- X30 Mini
- Junior X30
- OKJ
- Senior X30
- OK
- KZ

Information related to the event will be hosted at [www.fedacv.com/karting](http://www.fedacv.com/karting)

The Mini, Junior X30, Senior X30 and KZ categories will be regulated by the CKCV 2022 regulations, very similar to the CEK(Spanish Karting Championship).

The OK and OKJ categories will be regulated by the CiK FiA regulations.

During the week of the test, private training is allowed (check availability with the circuit). Being Mondays the day that the circuit remains closed for maintenance. On Friday the 2nd, there will already be a schedule by categories for the sessions on the track, as well as verifications and tire sales.

In the OK and KZ categories, there will be a superpole, which will be drawn from the top 5 classified in the qualifying practices. The top 5 finishers will be given a time to change tires (extrasoft) and will start again, provided the track conditions are dry. For this purpose, each team that wishes to, will be able to acquire a set of the aforementioned tyres for their test on Friday.

The tires to be used will be 1 set for the 2 days of the race, except for the OK, OKJ and KZ categories that will use 2 sets.
